**THE SUSAN THOMPSON SHOW, THE HOTTEST TALKED ABOUT SHOW, AIRS THIS FALL 2005**

DATE: 05 July, 2005

The Triangle, NC - 05 July 2005 – Former Professional Model Susan Thompson hosts the hottest talk show that is reaching out to unbelievable markets. The Susan Thompson show will be aired this fall on the Skyline Television Network to more than 119 million European homes in 37 countries from Russia to Spain and the United Kingdom to the north coast of Africa. In addition, the show will be televised on Planet X TV reaching 80 million viewers in USA.

The Susan Thompson Show is a 1-hour television program that chronicles the lives around the globe that have made significant contributions to society. The tour of the show covers more than 100 cities and towns from all ends of the earth and has already begun. Discussion for the show to be aired in other countries is in the works.

This unique talk show brings real people with real issues from around the globe to unite with one another and most of all, The Susan Thompson Show will develop your most valuable asset: imagination. The talk show will introduce “real” people through a branded experience with a global appeal.

Susan Thompson lives in North Carolina with her family. She is executive producer and creator of The Susan Thompson Show. Susan is also an Author, Poet, Entrepreneur and a Founder of The North American Andy Transplant Foundation. She has appeared on a full page on Entertainment Weekly and was a finalist for the popular show now appearing, on the original “The Apprentice”. She has also hosted Supermodel Magazine Search Gala with a major magazine mogul.

Coming up in Fall 2005, don't miss out on our show as Susan Thompson hosts The Susan Thompson Show at World's Music Awards on the red carpet.
